1200 Ø x 948 H mm, base 465 Ø mm

### CARE & MAINTENANCE

#### Laminates & Coated Steel

Clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test on underside or non visible surface of the product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface and is not allowed to sit for any extended period of time.

Avoid placing hot or exposed objects directly onto surface to prevent scorch marks and heat damage.
