

Dome Light

Dome Light references retrospective shapes and minimal lines, adding impact through its large proportions and contrasting ceiling cable. The ambient light is achieved through the product's rounded form and light-transmitting material.

Cleaning Instructions

After dusting with a static duster, clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. For more stubborn stains use a non abrasive plastic cleaner or a low concentration mild detergent with water. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test a small inconspicuous section of the light first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface of the chair and is not allowed to sit for any extended period of time.

Maintenance Instructions

To change the light bulb ensure the light is turned off and the bulb has had adequate time to cool.

End of Life

This product should be returned to us at the end of its useful life or arranged to be collected by DesignByThem at a negotiated transport fee for product repair, reuse or recycling as part of our product stewardship program.
