Cleaning Instructions

Lightly dust lampshade using a static duster. A bristled vacuum cleaner attachment may also be used. For metal legs and base, clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test on underside of the product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface and is not allowed to sit for any extended period of time.

Maintenance Instructions

To change the light bulbs ensure the light is turned off and the bulbs have had adequate time to cool.
