Care & Maintenance**Metal**

Clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Use lemon juice to clean oil based marks such as fingerprints.

Make sure to test on underside or non visible surface of the product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface and is not allowed to sit for any extended period of time. Keep away from water.

End of Life

A DesignByThem product can be returned to us at the end of its useful life for reuse or recycling as part of our product stewardship program. We will ensure that the product is recycled in its entirety without any material contributing to landfill.
