

Ribs Bench Outdoor

Ribs Bench Outdoor can withstand outdoor weather conditions yet remain light and movable. The piece features a unique flexible metal spine and is able to move fluidly into various positions.

A fixed spine is available for high traffic commercial areas.

CARE & MAINTENANCE

Powder Coat Metal

Clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents.

Make sure to test on underside or non visible surface of the product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface and is not allowed to sit for any extended period of time. Keep away from water.
