## Cleaning Instructions

Clean surfaces with a damp, lint free, non abrasive cloth and then wipe dry after cleaning. For more stubborn stains use a non abrasive timber furniture cleaner. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test on underside of product first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface of the product and is not allowed to sit for any extended period of time. Where possible try to prevent any cleaning solution getting into contact with the fasteners on the underside of the product.

---

## Maintenance Instructions

Tighten branches until there is a slight resistance. Please ensure that any branches are not overtightened.

---

## End of Life

This product should be returned to us at the end of its useful life or arranged to be collected by DesignByThem at a negotiated transport fee for product repair, reuse or recycling as part of our product stewardship program. We will ensure that the product will be recycled in its entirety without any material contributing to landfill.
