Cleaning Instructions

Clean surfaces with a damp, lint free, non abrasive cloth. Ensure all cleaning solutions do not contain any bleaching agents, abrasives or solvents. Make sure to test on underside of table first to ensure cleaner is compatible with material. Ensure that all the cleaning solution is wiped off the surface of the table and is not allowed to sit for any extended period of time.

Maintenance Instructions

Check that no fasteners have become loose from freight, handling or heavy use. Ensure any loose screws are tightened until you feel resistance - Please ensure that any fasteners are not overtightened.

End of Life

This product should be returned to us at the end of its useful life or arranged to be collected by DesignByThem at a negotiated transport fee for product repair, reuse or recycling as part of our product stewardship program. We will ensure that the product will be recycled in its entirety without any material contributing to landfill.
