

# A3 - 420mm x 297mm Artwork Template

**Bleed Area: 426mm x 303mm**

Extend your background to fill the full 'bleed area' - it'll make sure you don't end up with white edges when your A3 artwork is trimmed.

**Trim: 420mm x 297mm**

This is where we cut your A3 artwork

**Safe Area: 416mm x 293mm**

Keep all the important bits of your design - text, logo, icons inside this area.

\* Not your background that still needs to run to the edges of the bleed.

## DO

- Edit and save your file in CMYK.
- Delete the artwork guideline group layer before saving.

## DON'T

- Flatten your layers or image before saving. It'll reduce your print quality.
- Add additional bleed or print/crop marks to your files. Just say your file to the size of this template.
