----------------	-----------------------

Features

Grab bar is designed to enable a person to maintain balance, lessen fatigue while standing, hold some of their weight while maneuvering, or have something to grab onto in case of a slip or fall.

- Can be installed horizontally or vertically
 - Vertical grab bars may help with balance while standing
 - Horizontal grab bars provide assistance when sitting or rising, or to grab onto in case of a slip or fall.
- Complete with mounting hardware
- With ABS grip for better hold
- With the cover on screws
- Available sizes: 12", 18", 24" and 30"
