# Convaid Cruiser

The Convaid Cruiser is a popular 30° fixed-tilt pediatric buggy that is convenient, lightweight, and compact folding. The Cruiser is made to order to meet each individual requirements. It comes equipped with Convaid's proprietary self-tensioning seating system, Self-Tensio®, which provides increased seating tolerance and can help promote neutral pelvic positioning. It provides growth capability through its seat depth extension system.

# Lightweight, Compact-Folding, and Convenient

The Convaid Cruiser is a 30° fixed-tilt buggy that improves postural control through upper body positioning.

## Tension adjustable back upholstery

Adjustable back straps allow for individual adjustment to the Lumbar and Thoracic sections for the back.

## One-piece height adjustable push handle

Two-piece push handle option

## Self-Tensio®

Self-Tensio® is Convaid's unique self-tensioning seating system which provides pelvic positioning similar to a solid seating system in an umbrella folding rehab buggy.

## Tool-less upholstery removal

No tools required to remove for cleaning
