

Model:

89/MXP07001S

89/MXP07001M

89/MXP07001L

89/MXP07001XL

Small	26"-34" (66 - 86cm)
Medium	32"-39" (81 - 99cm)
Large	36"-42" (91 - 106.6cm)
Extra Large	41"-52" (104 - 132cm)

Features

- Used to help hold up a weak person while they walk
- Back support and assistance without interfering with patient's body movements in case of:
 - Parallel bar walking
 - Independent walking with mobility aids/support of a therapist
- Restoring normal gait to the patient, without fear of fall
- Prevents low back pain in patients as well as a therapist (from physical strain)
