

Terms & Conditions for Second Hand Equipment

To list the second-hand equipment in DNR Wheels website, seller needs to provide full name, contact number and address in order for us to track the purchase record from our system.

Once approved, seller needs to provide product details as below:

1. Product photos
2. Item condition: Used for how many months / years?
3. Price
4. Description

Terms and Conditions:

1. The equipment must be purchased from DNR Wheels.
2. This service is not applicable for customers who received the equipment through funding.
3. DNR Wheels reserves the right to reject the item to be listed in website.
4. DNR Wheels only serves as a platform for seller to sell their second-hand equipment. DNR Wheels will not involve in any transaction or arrangement between seller and buyer.
5. Buyer has to contact the seller personally in order to purchase the second-hand equipment.
