

Veronica Appleyard Workshops

May 3rd - 5th 2024

Requirements List - Kit

➤ Fuse & View Applique Mat

For those of you who had booked into our last class that has been re-scheduled to this one, this is a different mat to previously recommended.

We are always learning on our craft journeys and since we last booked this, Veronica has incorporated this very handy tool into her workshops and suggests it as a must-have. She will be demonstrating how you can do fabric collage with and without this mat.

We will be refunding the purchases of the original mats. And because this mat is quite a bit more expensive than the original mat, we will be offering a discounted price from \$102.50 to \$90 for anyone who purchases BEFORE the day of class.

Your kit includes:

- ✓ Steam-a-Seam
- ✓ Your choice of Laura Heine/Veronica Appleyard Fabric Collage Pattern
- ✓ All Fabrics needed to make your collage
- ✓ Tuition from the talented Veronica Appleyard
- ✓ General's marking pencil & tweezers
- ✓ Morning, afternoon tea & Lunch
- ✓ Use our classroom resources

Other information:

We have a fully function classroom and try to supply as many resources so that you can focus more on learning new techniques then worrying if you've

forgotten your scissors or ruler.

In saying that, you are welcome to bring any of the following of your own supplies:

- Sharp scissors for precise cutting (Karen Kay Buckley recommended)
- Rotary cutter, ruler & mat
- Travel Iron & Ironing mat

We also have some available for purchase in store and will be demonstrating their uses in the workshop.
