Place consigned items into an appropriate box or padded envelope. All cards should be at least sleeved, do not ship cards in binder pages. Please make sure all cards are tightly packed to avoid them being damaged during shipment. We can accept shipments from any standard carriers such as USPS, FedEx and UPS.

Always get a tracking number and request signature delivery. We advise adding insurance on any packages valued over \$500, however do so at your own discretion. Don't hesitate to contact us for any suggestions on your shipment.

Notes:

- All cards should be individually sleeved, top loaders are optional but suggested
- Do not send cards in screw down holders
- Do not tape over cases to seal the card inside
- Make note of any hard to see damage that you're aware of
- Please have cards separated by sport
- Card sets must already be sorted in numerical order, unsorted sets will incur a \$10/hr sorting fee
- Memorabilia or signed items must be authenticated by a reputable 3rd party such as PSA/DNA, Beckett, TriStar or similar
- If we must return your items, you will have to pay return shipping.
