Please enclose a copy of your invoice so that the repair can be carried out free of charge within the warranty period. Without invoice and outside the warranty, the repair costs and shipping costs will be charged.

Subject to change

I ask for quick processing of the repair and accept that this is carried out immediately up to a maximum amount of 129 € for a Quartz watch and € 269 for a watch with mechanical movement plus shipping costs.

I ask for a cost estimate and accept a longer repair time. If the watch is not to be repaired, you will be charged with a 39 € processing cost.

Please sign me up for the Botta Watch-Newsletter.
