

The new ultra thin & compact inspection light for difficult to reach & narrow workspaces

Worklight, inspection light and spotlight all in one

**12+ 1 SMD Light**

- a. Powerful 12 SMD light bar with a spread of upto 120°
- b. 1W SMD Top torch for focused illumination

**Light Output**

Super slim light offers high quality output as both worklight and spotlight

Smart design ensures user controlled output. Adjust light intensity from 0-400 lumen by simply rotating the knob as per need

**Sturdy Construction**

- a. Impact proof ABS body
- b. Sturdy polycarbonate lens to withstand the toughest of job site conditions

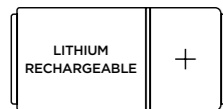

**Compact Folding Design**

Fully folded the lamp is reduced to a pocket sized worklight

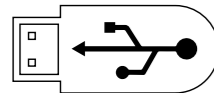

**Hands Free Operation**

Three super strong magnets on sides and rear end help affix the light on any metallic surface leaving both hands free

**Power Source**

**RECHARGEABLE BATTERY**  
3.7V 2000 mAh

**USB CHARGED**

**Charging of Battery**

In-built micro USB charging port protected by rubber bezel

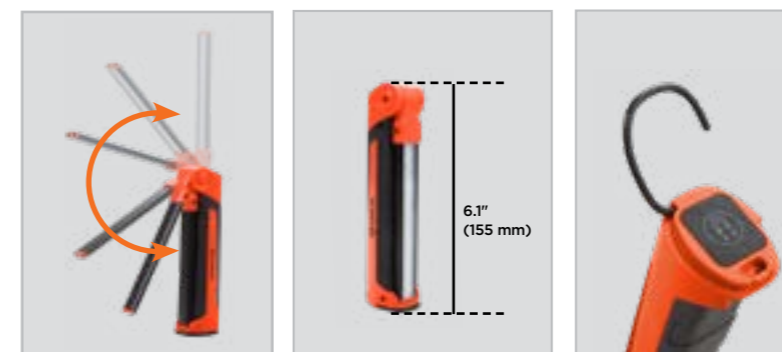

Comes complete with 5V braided USB cable

CE RoHS IK07

Adjust light intensity via simple to use rotating knob
