ENGAGING. FAITHFUL. APPLICABLE.

WHAT PEOPLE ARE SAYING

“Having been involved in children’s, youth, and family ministry for nearly two decades, I know the desperate frustration of searching far and wide for compelling and biblically sound resources. Bible Study Media is filling a cavernous need in children’s ministry curriculum with theologically-grounded, application-rich curriculum. Hearts Alive is a vibrant and engaging resource for congregations of varying sizes and age-breakdowns. It is extremely user-friendly for adult leaders who desire for students to come away with a Jesus-centered understanding of the lectionary Scriptures each week. By including accessible activities and a take-home sheet, this curriculum aids churches in connecting Sunday truths to the Monday through Saturday lives of families. I wholeheartedly encourage anyone who takes seriously our mandate to form and equip young Christians to utilize Hearts Alive!”

**- ADAM YOUNG, PRIEST FOR YOUTH & FAMILIES,
CATHEDRAL CHURCH OF ST. LUKE, ORLANDO**

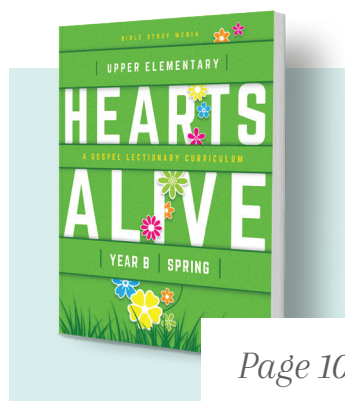

“More than ever before, we need children that are grounded in the gospel. I am thrilled about the new children’s Sunday School curriculum, Hearts Alive. This is a lectionary-based curriculum that is gospel-centered and will help meet the needs of children and families alike. I heartily recommend it!”

**- REV. DR. WINFIELD BEVINS, DIRECTOR OF CHURCH PLANTING,
ASBURY THEOLOGICAL SEMINARY**

WHAT PEOPLE ARE SAYING

"The Christian Life Trilogy is masterfully written to tie in both an excellent small group curriculum and challenging daily devotion. This curriculum is a must for all churches desiring to have Jesus' life, death, and resurrection impact the way they go about their daily work and life. If you're a church who follows the traditional church calendar...it's a no brainer to let this excellent curriculum guide you through Lent, Easter, and Pentecost in a way you have never experienced before!"

**- THE REV. WES SHARP, DISCIPLESHIP PRIEST,
ST. PETER'S EPISCOPAL CHURCH, LAKE MARY, FL**

"Our Bible study group so appreciates the insights of your books as well as the framework for personal and group understanding. We have all come to have a better understanding, not only of the Lord's call, but of each other, through your books."
