Elite SERIES

ELITE SERIES
Dual USB Charger with
15A Duplex Tamper Resistant Receptacle

Model No: 61501-TR2USB-S-GD-SV-NK-DB

Description

The 61501-TR2USB USB Charger/Tamper-Resistant Receptacle offers two "Smart" USB charging ports and duplex Tamper Resistant Receptacles. This device is able to deliver the optimum current accordingly to the device types and models attached, and charge any two devices up to 4.0 Amp charging capacity simultaneously.

The receptacle is back and side wired for broad compatibility with diverse wiring needs. The product can fit in any standard in-wall outlet box. All you will need is a USB cable to connect to one of the two USB ports.

Features

• Dual "Smart" USB ports with a super high-current power of
   Max 2.4Amp or 4 Amp total, 5VDC.
• Charge the most compatible electric devices directly without
   an adapter.
• Tamper-Resistant Shutters provide
• Compliance with 2011 NEC Article 406.12 for tamper-resistant
   receptacles.
• Replace a standard duplex receptacle.
• Back and side wire for easy installation.

Testing & Code Compliance
