

Enerlites®

DECORATOR ADAPTER BLANK DECORATOR INSERT

MODEL NO: 6001

DESCRIPTION

The ENERLITES 6001 blank decorator adapter covers blank holes in multi-device decorator installations. Made of polycarbonate thermoplastic they are manufactured to provide durability, flexibility, and resilience to bending and high-impacts. They are also heat & fade resistant to temperatures over 100 degrees which protects them from fading and discoloration over time. Their smooth finish provides an attractive look and makes them easy to clean.

FEATURES

- Covers blank holes in multi-device decorator installations
- High-impact resistant thermoplastic frame
- Perfect for home and office
