

**20 Amp 125Volt Plug
NEMA L5-20P**

Model No.: 66401-BK

Description: Enerlites's NEMA devices provide a safe disconnect solution between an equipment load and a power source. Built of durable thermoplastic, Locking plugs have the pins arrayed in a circular manner. The plug is inserted into the female side and twisted to lock in place. To ensure correct and speedy wiring, terminals have ID markings.

Features:

- Terminals marked for easy identification and fast wiring
- Visible stamped NEMA configuration and device rating.

Specifications:

Type.....	Plug
Rating.....	.20Amp, 125Volt
