

### 20 Amp 250Volt NEMA L6-20P Plug

Model No.: 66411-BK

**Description:** Enerlites's NEMA devices provide a safe disconnect solution between an equipment load and a power source. Built of durable thermoplastic, Locking plugs have the pins arrayed in a circular manner. The plug is inserted into the female side and twisted to lock in place. To ensure correct and speedy wiring, terminals have ID markings.

**Features:**

- Terminals marked for easy identification and fast wiring
- Visible stamped NEMA configuration and device rating.
