961501-C

961501-S

961241-S

961241-C

Model No.: 961501/961241

Description: The Pop-up Floor Box Assembly with 20A Decorator Duplex T&WR Receptacle is used for carpet and wood floors. Pop-up covers provide easy access to power and can be snapped closed when not in use. Kit assembly includes a metal floor box, a decorator duplex T&WR receptacle and a cover.

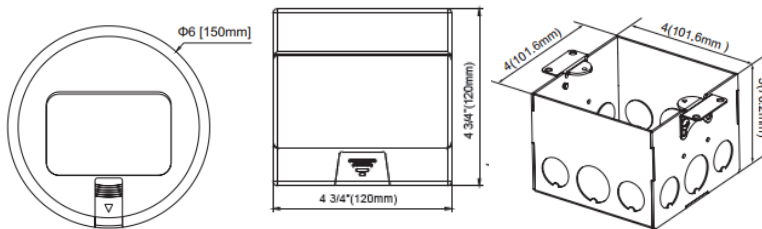

Features:

- 20A 125V Decorator Duplex Tamper & Weather Resistant Receptacles.
- For use with carpet and wood floors. Also great for counter-top applications.
- Steel floor box must be flush with wood or carpeted floor (961501) or attached to sub-floor prior to final installation (961501 & 961241).
- Easy connection wiring accepts #12-10 AWG stranded and solid copper wire.

Testing & Code Compliance:

- Compliance with 2011 NEC Article 406.12 for tamper-resistant receptacles.
- Compliance with 2011 NEC Article 314.27 for floor boxes.
- All receptacles are UL listed.
