

DAILY PREVENTION™

advanced smartblend mineral
moisturizer SPF 75

product

This dual-defense mineral moisturizer delivers anti-aging hydration and sun protection in one product. Perfect for sensitive skin and post-care use, it helps soothe skin and reinforces the vital moisture barrier. With a neutral tint and ultra-wearable texture, it blends seamlessly for a radiant finish alone or under makeup. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to deliver comprehensive nourishment and an added line of defense against premature skin aging. Clinically proven to increase hydration levels by 87% and decrease skin redness by 21%*

skin type

For post-procedure, redness, sensitivity and/or dry skin

key benefits

- Color-correcting tint and soothing hydration for daily wear and post-care use. Helps to protect against the effects of UV rays and blue light
- Vegan squalane derived from sugarcane moisturizes the skin, helping to support its moisture barrier
- A botanical blend of green seaweed, holy Thai basil and lady's thistle extract helps to soothe the skin
- Water resistant (80 minutes)

available

Net wt. 1.7 oz / 48 g retail
Net wt. 4 oz / 113 g professional
Net wt. 0.25 oz / 7 g sample

directions for use

Shake well before use. Apply generously and reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 80 minutes of swimming or sweating and immediately after towel drying.

pro tip

- For a refreshing, comforting and soothing experience, apply chilled by gently pressing it into the skin and letting it sit on the skin until it warms up. Once warm, activate the skin microcirculation with tapotement over the skin (avoid rubbing the skin). Fantastic for sensitive skin and post-procedure.

key ingredients

| | |
|---------------------------|--|
| Ectoin | a biotech-produced antioxidant known to help protect against free radical damage and shield skin from oxidative stress. |
| Tetrahexyldecyl ascorbate | a highly effective, stable form of vitamin C proven to brighten and fight visible signs of aging such as fine lines, wrinkles and pigmentation. |
| Micro-algae | a naturally rich source of astaxanthin, a carotenoid and one of the most powerful antioxidants found in nature. |
| Acetyl zingerone | an antioxidant derived from ginger that works to reduce visible signs of photoaging, including the appearance of wrinkles, redness and pigmentation. |
| Squalane | a plant-derived emollient with antioxidant benefits that helps to prevent moisture loss and restore suppleness. |
| Botanical blend | a blend of silymarin, green seaweed and holy Thai basil that soothes skin and helps improve the skin's barrier function. |

ingredients

ACTIVE INGREDIENT:
ZINC OXIDE: 10.5%
TITANIUM DIOXIDE: 3.7%

INACTIVE INGREDIENTS:
AQUA/WATER/EAU, C13-15 ALKANE, CAPRYLIC/CAPRIC TRIGLYCERIDE, BUTYLOCTYL SALICYLATE, POLYGLYCERYL-3 POLYRICINOLEATE, SQUALANE, COCO-CAPRYLATE/ CAPRATE, DISTEARDIMONIUM HECTORITE, POLYGLYCERYL-10 DIOLATE, POLYHYDROXYSTEARIC ACID, CETYL DIMETHICONE, GLYCERIN, PHENOXYETHANOL, PROPANEDIOL, STEARIC ACID, STYRENE/ACRYLATES COPOLYMER, TOCOPHERYL ACETATE, ACETYL ZINGERONE, HYDRATED SILICA, ALUMINA, ETHYLHEXYLGLYCERIN, ALLANTOIN, PHOSPHATIDYLCHOLINE, MANNITOL, VANILLA PLANIFOLIA FRUIT EXTRACT, ENTEROMORPHA COMPRESSA EXTRACT, TRIETHOXYCAPRYLYLSILANE, METHYL PROPANEDIOL, ECTOIN, CAMELLIA SINENSIS LEAF EXTRACT, SILYBUM MARIANUM FRUIT EXTRACT, OCIMUM SANCTUM LEAF EXTRACT, CAPRYLYL GLYCOL, PALMITIC ACID, HAEMATOCOCCUS PLUVIALIS EXTRACT, SODIUM BENZOATE, POTASSIUM SORBATE, TETRAHEXYLDECYL ASCORBATE, PANTHENOL, TOCOPHEROL, CITRIC ACID, PHENYLPROPANOL, MAGNESIUM OXIDE, CI 77499, CI 77491, CI 77492.

We at Image Skincare strive to keep ingredient lists as accurate as possible. However because ingredients are subject to change, we cannot guarantee that these lists are complete, up-to-date and/or error-free. DAILY PREVENTION™

protect and refresh mist SPF 40

product

This hydrating dry-oil SPF 40 face mist provides broad-spectrum sun protection while nourishing skin with meadowfoam seed and buriti fruit oils. With a beautiful glow and barely-there feel, it's perfect for sunscreen reapplication over makeup and refreshing UV protection throughout the day. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich microalgae to deliver comprehensive nourishment and an added line of defense against premature skin aging.

skin type

For active outdoor lifestyles, athletic activities and/or frequent reapplication

key benefits

- Hydrating dry-oil spray that goes on clear and absorbs quickly for a beautiful glow and barely-there feel. Helps to protect against the effects of UV rays and blue light
- Perfect for sunscreen reapplication even over makeup and refreshing UV protection throughout the day
- Meadowfoam seed oil helps lock in moisture to leave skin soft and supple
- Enhanced with buriti fruit oil, an antioxidant-rich blend of vitamins that helps moisturize and give skin a healthy glow
- Water resistant (80 minutes)

directions for use

Shake well before use. Hold container 4 to 6 inches from skin to apply. Spray liberally and spread evenly by hand. Reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 80 minutes of swimming or sweating and immediately after towel drying.

pro tip

- Rehydrate and refresh patchy and cakey foundation by misting throughout the day. In addition to protecting your skin from free radicals and UV radiation, this helps to deliver hyaluronic acid (to hydrate the skin barrier), resulting in a reinvigorated makeup look.

key ingredients

| | |
|-----------------------------|--|
| Ectoin | a biotech-produced antioxidant known to help protect against free radical damage and shield skin from oxidative stress. |
| Tetrahexyldecyl ascorbate | a highly effective, stable form of vitamin C proven to brighten and fight visible signs of aging such as fine lines, wrinkles and pigmentation. |
| Micro-algae | a naturally rich source of astaxanthin, a carotenoid and one of the most powerful antioxidants found in nature. |
| Acetyl zingerone | an antioxidant derived from ginger that works to reduce visible signs of photoaging, including the appearance of wrinkles, redness and pigmentation. |
| Limnanthes alba seed oil | a nourishing plant oil that acts as an emollient to help moisturize and protect the skin. |
| Mauritia flexuosa fruit oil | a natural plant extract rich in antioxidants, fatty acids and vitamin E that helps to moisturize and rehydrate skin, leaving a healthy glow. |

DAILY PREVENTION™

pure mineral hydrating moisturizer SPF 30

product

This dual-defense daily moisturizer with SPF 30 delivers anti-aging hydration and all-mineral sun protection in one product. With a lightweight, dewy finish, it boosts hydration without heaviness and blends undetectably into most skin tones without a white cast. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to deliver comprehensive nourishment and an added line of defense against premature skin aging. Clinically proven to increase hydration levels by 57%*. 83% of users agreed it feels weightless on the skin after one application*.

skin type

For dry and dehydrated skin

key benefits

- Lightweight, dewy hydration that blends into most skin tones without a white cast. Helps to protect against the effects of UV rays and blue light
- High-molecular weight hyaluronic acid and select humectants draw in moisture to leave skin soft and smooth
- Contains transparent zinc oxide, proven to have a high safety profile
- Water resistant (80 minutes)

directions for use

Apply generously and reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 80 minutes of swimming or sweating and immediately after towel drying.

pro tips

- For total skin suppleness, apply a few drops of AGELESS total pure hyaluronic⁶ filler to the skin. Allow 1 to 2 minutes to absorb, then apply the DAILY PREVENTION™ pure mineral hydrating moisturizer SPF 30 to lock in hydration while boosting skin protection.
- Use on dry winter skin to provide moisture and broad-spectrum UV protection.

DAILY PREVENTION™

pure mineral tinted moisturizer SPF 30

product

This tinted mineral moisturizer is a dual-defense formula that provides anti-aging hydration and broadspectrum sun protection in one product. With a sheer, seamless tint, it gives light, blurring coverage to help even out skin tone. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to deliver comprehensive nourishment and an added line of defense against premature skin aging. Clinically proven to increase hydration levels by 65%*. 87% of users agreed their skin looks more even-toned after one application*.

skin type

For hyperpigmentation, discoloration and/or uneven skin tone

key benefits

- Sheer tint gives light, blurring coverage for a radiant finish and healthy glow on all skin tones. Helps to protect against the effects of UV rays and blue light
- Contains transparent zinc oxide, proven to have a high safety profile
- Water resistant (40 minutes)

available

Net wt. 2.6 oz / 73 g retail
Net wt. 5 oz / 142 g professional
Net wt. 0.25 oz / 7 g sample

directions for use

Apply generously and reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 40 minutes of swimming or sweating and immediately after towel drying.

pro tip

- Build color coverage by applying DAILY PREVENTION™ pure mineral tinted moisturizer SPF 30 under foundation for a hydrated and dewy finish.

DAILY PREVENTION™

sheer matte moisturizer SPF 30

product

This dual-defense matte moisturizer delivers anti-aging hydration and broad-spectrum sun protection in one product. With a neutral, blendable tint, it blends seamlessly and helps minimize white cast on all skin tones. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to deliver comprehensive nourishment and an added line of defense against premature skin aging. 80% of users agreed it controls shine and keeps skin feeling mattified throughout the day*. 90% of users agreed it does not leave a white cast after one application*.

skin type

For shine-prone and/or blemish-prone skin

key benefits

- Silky formula that smoothes skin's appearance with a satin-matte finish. Helps to protect against the effects of UV rays and blue light
- Oil-reducing microspheres help control unwanted shine throughout the day
- Neutral, blendable tint helps to minimize white cast on all skin tones
- Water resistant (40 minutes)

available

Net wt. 2.6 oz / 73 g retail
Net wt. 5 oz / 142 g professional
Net wt. 0.25 oz / 7 g sample

directions for use

Apply generously and reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 40 minutes of swimming or sweating and immediately after towel drying.

pro tips

- Turn up the radiance by applying ILUMA intense brightening serum to the skin prior to applying the DAILY PREVENTION™ sheer matte moisturizer SPF 30. Wait 30 seconds to 1 minute between applications.
- Incorporate into a gentleman's facial for moisturizing protection without a dewy finish.
- Fantastic for men and teens.

DAILY PREVENTION™

ultra defense moisturizer SPF 50

product

This dual-defense SPF 50 moisturizer delivers anti-aging hydration and broad-spectrum sun protection in one product. Enhanced with nourishing cocoa butter, its unique, cushiony texture blends seamlessly on all skin tones without a white cast. Proprietary, patent-pending XOSM™ Technology enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to deliver comprehensive nourishment and an added line of defense against premature skin aging. Clinically proven to increase hydration levels by 35%*. 83% of users agreed the product did not leave a white cast after one application*.

skin type

For mature skin and/or outdoor activities

key benefits

- Helps to protect against the effects of UV rays and blue light
- Radiant hydration with a unique, cushiony feel that blends seamlessly on all skin tones without a white cast
- Organic cocoa butter moisturizes and nourishes the skin
- Water resistant (80 minutes)

directions for use

Apply generously and reapply as needed. If going out in the sun, apply 15 minutes before sun exposure. Reapply after 80 minutes of swimming or sweating and immediately after towel drying.

pro tips

- For additional antioxidant support, apply a few drops of VITAL C hydrating antioxidant ACE serum to the skin. Allow 1 to 2 minutes to absorb, then apply the DAILY PREVENTION™ ultra defense moisturizer SPF 50 to lock in hydration while boosting skin protection.
- Use on advanced aging skin to provide the ultimate sun protection.
