

DUAL DEFENSE FOR BETTER SKIN EVERY DAY

- Features proprietary, patent-pending XOSM™ Technology that enhances the power of antioxidants ectoin, vitamin C and astaxanthin-rich micro-algae to provide comprehensive nourishment and an added line of defense against premature skin aging
- Sunscreen actives remain on the surface to protect skin while encapsulation technology helps vital antioxidants penetrate deeper

- Defends against the effects of UV rays and blue light
- Reinforces the vital moisture barrier to improve skin's resilience
- Ultra-wearable textures for a barely there finish and feel
- Recommended by The Skin Cancer Foundation as safe and effective sun protection
- Formulated without oxybenzone, octinoxate and parabens
