

# ORMEDIC LIFT TREATMENT

## 1. CLEANSE

Apply **ORMEDIC BALANCING FACIAL CLEANSER** and cleanse the skin for 1-2 minutes. Remove with tepid water and sponges.

## 2. PEEL

Measure 1/8 oz. - 1/4 oz. of **ORMEDIC LIFT** into a medicine cup. Apply peel with an **I SWAB** in a circular motion beginning at forehead, moving to right cheek, left cheek, nose and perioral area. Allow natural penetration for up to 5 minutes. Remove thoroughly with cool water and sponges until client feels **ZERO** activity.

### ELEVATE

#### MASQUE

For clients who prefer less visible exfoliation post peel, apply **ORMEDIC BALANCING GEL MASQUE** with an **IMAGE MASQUE BRUSH**. Add 1 full dropper of **I ENHANCE** of choice according to specific skin needs. Leave on skin for 5 minutes. Remove with tepid water and sponges. (Optional: Perform arm and hand massage with **VITAL C HYDRATING HAND AND BODY LOTION**).

## 3. ENHANCE

Customize by combining 1 full dropper of chosen **I ENHANCE** based on client's skin needs with **ORMEDIC BALANCING ANTIOXIDANT SERUM** and apply to entire treated area.

### ELEVATE

#### EYE REPAIR

Apply **VITAL C HYDRATING EYE RECOVERY GEL** to orbital area.

## 4. PROTECT

Apply a generous amount of **PREVENTION+ DAILY TINTED MOISTURIZER SPF 30** to entire treated area.

### ELEVATE

#### PLUMP

Apply **ORMEDIC BALANCING LIP ENHANCEMENT COMPLEX** to entire lip area.

#### FLAWLESS FINISH

Apply **I CONCEAL** using **FOUNDATION BRUSH** to create a flawless finish.

**HEAL:** Provide **IMAGE POST TREATMENT KIT** to client and review post treatment care.

**YANA:** Offer the client a complimentary sample of **YANA™ DAILY COLLAGEN SHOTS**.

**INDICATIONS:** Unbalanced skin, teen skin, sensitive skin

**TREATMENT TIME:** 30 minutes

\*Prior to every treatment, review and have client initial and sign the **IMAGE INFORMED TREATMENT CONSENT FORM**
