# FM-2000 FLUSH MOUNT AIR CLEANER

Keep your bar, VFW hall, hotel, truck stop, beauty salon, retail shop, bowling center, restaurant or lounge area smoke-free with our FM-2000 flush mount commercial HEPA filter smoke eater.

1,250 – 1,650 CFM - 1 unit covers approximately 8,000 cubic feet. 3-filter system includes 12 inches of HEPA media plus pre-filtration & carbon.

The FM-2000 Air Cleaner is designed to drop into a suspended ceiling. It replaces either (1) 2' x 4' tile or (2) 2' x 2' tiles. 18" of clearance above the drop ceiling is required. It's recommended that the ceiling height does not exceed 12 feet. **The weight of the system does not rest on the ceiling grids but is secured above the suspended ceiling to a permanent structure such as a joist or beam.** All filters in the FM-2000 are accessible from the intake grill on the face of the system. **1 unit recommended for every 8,000 cubic feet.**

How does the FM-2000 work? Three (3) Filter System Provides Excellent Smoke Removal Results. The FM-2000 Air Cleaning System uses a powerful blower to draw the air from smoke-filled areas. As the air flows through the high-efficiency filter media, 95% of airborne particles & contaminants are removed on each pass. The clean air that is constantly discharged into the area is refreshing and remarkably free of smoke, odors and particles.

Capacity	Up to 8,000 Cu. Ft.
2-Speed	1,250 – 1,650 CFM
Installation	Flush mount – Fits into (2) 2' x 2' ceiling tiles or (1) 2' x 4' ceiling tile
Dimensions	46-1/2" L x 23-3/4" W x 17" H
Cabinet	Aluminum – Available in White or Black
Weight	135 lbs.
Electrical	9.2 Amps | 120V | 60Hz
Power Cord	8 ft., 3 prong grounded plug
Sound Level @ 5'	Low – 67 d(B)A | High – 67 d(B)A
Media	Includes 1 Year Supply of Filters; (1) 12" HEPA Filter (6) ½" Activated Carbon Filters (12) ½" Pre-Filters
Warranty	1 Year Manufacturer's Warranty
Certifications	All electrical components and fan motor are UL Listed and CSA Certified.

NOTE: The FM-2000 is equipped with 2 eye bolts, 2 eye lags and industrial hanging wire. Plug in or hard wire.
