

MUSCLE MACHINE – MM800 - AIR CLEANER

Our Muscle Machine Wall/Ceiling Mount HEPA Smoke Filter Systems will virtually eliminate dust, tobacco smoke and offensive odors from the air.

600 - 800 CFM - 1 unit covers approximately 4,500 cubic feet. Three (3) filter system includes 6 inches of HEPA media, plus pre-filtration & carbon.

It is recommended that the Muscle Machine smoke eater be installed in areas that have 7-1/2 to 9-foot ceiling heights. The Muscle Machine air cleaner is equipped with 4 eye bolts installed 16" on center on top of each system for easy installation. The installation hardware also includes: 4 "S" hooks, 4 eye lags and industrial hanging wire. **One (1) MM800 unit is recommended for every 4,500 cu. ft.**

How does the MM-800 work? Three (3) Filter System Provides Excellent Clean Air Results. The Muscle Machine Air Cleaning System uses a powerful blower to draw the air from smoke-filled areas. As the air is drawn through the high-efficiency filter media, 95% of the tobacco smoke particles are removed on each pass. The clean air that is constantly discharged into the area is refreshing and remarkably free of tobacco smoke and other contaminants.

Capacity	Up to 800 Sq. Ft. 4,500 Cu. Ft.
2-Speed	600 – 800 CFM
Mounting Options	Ceiling Mount Wall Mount
Dimensions	23" L x 24" W x 12" H
