

PR10.0-V FLUSH MOUNT AIR CLEANER

600 – 1,200 CFM - 1 unit covers approximately 6,000 cubic feet. 3-filter system includes pre-filtration, 6 inches of HEPA media and 18 pounds of carbon.

In addition to providing a **95% high-efficiency HEPA filter media**, the PR10.0-V Commercial Smoke Eater utilizes **18 pounds of activated carbon in a V-Bank housing**. The PR10.0-V is an excellent choice when the need to control tobacco smells is required - **including cigar & cigarette odors, and marijuana odors**. Carbon can hold many times its weight in odor molecules and will continue to remove smells for up to 1 full year.

The PR10.0-V Air Cleaner is designed to drop into a suspended ceiling. It replaces either (1) 2' x 4' tile or (2) 2' x 2' tiles. **13" of clearance above the drop ceiling is required**. It's recommended that the ceiling height does not exceed 10 feet. **The weight of the system does not rest on the ceiling grids but is secured above the suspended ceiling to a permanent structure such as a joist or beam**. All filters in the PR10.0V are accessible from the intake grill on the face of the system. **1 unit recommended for every 6,000 cubic feet.**

How does the PR10.0-V work? Three (3) Filter System Provides Excellent Smoke Removal Results. The PR10.0-V Air Cleaning System uses a powerful blower to draw the air from smoke-filled areas. As the air flows through the high-efficiency filter media, 95% of airborne particles & contaminants are removed on each pass. The clean air that is constantly discharged into the area is refreshing and remarkably free of smoke, odors and particles.

Capacity	Up to 1,000 Sq. Ft. 6,000 Cu. Ft.
2-Speed	600 – 1200 CFM
Installation	Flush mount – Fits into (2) 2' x 2' ceiling tiles or (1) 2' x 4' ceiling tile
Dimensions	46-1/2" L x 23-3/4" W x 12" H
Cabinet	Aluminum – Available in White or Black
Weight	105 lbs.
Electrical	4.2 Amps 120V 60Hz
Power Cord	10 ft., 3 prong grounded plug
Sound Level @ 5'	Low – 65 d(B)A High – 67 d(B)A
Media	Includes 1 Year Supply of Filters; (1) 6" HEPA Filter (1) 18# Carbon V-Bank Filter (12) 1/2" Pre-Filters
Warranty	All systems carry a lifetime motor/blower warranty*
Certifications	All electrical components and fan motor are UL Listed and CSA Certified.

NOTE: The PR10.0-V is equipped with 2 eye bolts, 2 eye lags and industrial hanging wire. Plug in or hard wire.

*Lifetime Blower/Motor warranty applies if filters are changed as required and are purchased from Pure n Natural Systems, Inc.
