

Product Highlight

Helps reduce inflammation

Helps prevent Cancer

Helps reduce allergies

Helps fight heart diseases

Helps with arthritis

Our edible hemp seed oil is cold-pressed from the seeds of the cannabis sativa plant and contains the perfect ratio of omega fatty acids. With omega 6 and omega 3 in a ratio of 3:1. Just 15mls contains 94% of your daily requirement of omegas 3, 6 and 9 and boasts an EFA content of 80%. These fatty acids are fundamental to maintaining good health and effective functioning of the immune system and brain.

As our brain requires a constant supply of Essential Fatty Acids (EFA) that the body cannot produce, Hemp Seed oil is just the fuel that our brain needs to stay healthy and function effectively.

Cold-pressed from a proprietary variety of THC-free and GMO-free hemp seeds.
