Thank you for your support and enjoy your Gemini XERA Flashlight!
Congratulations on your purchase of a Gemini XERA Flashlight! Please take a moment to get to know your new light.

ONE YEAR WARRANTY

Your purchase is protected by Gemini Lights with a one year warranty covering any defects in material and workmanship.

SAFETY PRECAUTIONS

1. The Gemini XERA Flashlight is extremely bright and can damage the eye. Please do not stare directly into the beam.
2. Without adequate cooling or moving airflow, the light can get hot, so please be careful.
3. Use only Gemini Lights chargers with Gemini Lights batteries.
4. Please do not submerge the flashlight underwater.
5. Always store batteries in a cool, dry place and away from direct sunlight.

Gemini Lights accepts no liability for injuries or damage arising from the misuse of this light.

FOR MORE INFORMATION

For more information about usage, warranty and battery care, please visit our website: http://gemini-lights.com

LIGHT OPERATION

The XERA Flashlight is operated by a swivel switch activated in the light head. Insert the battery into the flashlight with the negative terminal first.

To switch the flashlight ON, rotate the body clockwise.
To switch the flashlight OFF, rotate the body anti-clockwise.

LIGHT MODES

To cycle through the five modes, swivel the flashlight’s body clockwise then anti-clockwise.

- LOW 200 Lumens 7 hrs 30 mins runtime
- MED 600 Lumens 2 hrs 30 mins runtime
- HIGH 950 Lumens 1 hr 30 mins runtime
- FLASH 400 Lumens 7 hrs 30 mins runtime
- FLASH 700 Lumens 5 hrs 30 mins runtime

CHARGING

Place the battery with the correct orientation into the charging bay. A full charge will take 5 hours 30 mins to complete.

- Red indicates battery is charging.
- Green indicates battery is full.

MOUNTING

A handlebar mount is included for quick on-off action. Use the zip-tie to secure the mount to your handlebar. For smaller handlebar diameters, use the extra shim provided.

The XERA Flashlight is also helmet and head strap mountable using our o-ring mounting system. The helmet mount, head strap, and flashlight o-ring mount are sold separately.
