12 BACKGROUND CHOICES

Retouching Retoque

Retouching. Minimizes appearance of blemishes and minor facial imperfections.

Clothing Suggestion:

Consider clothing colors that compliment rather than contrast the background color. Avoid lime-green colored tops. Solid colors in medium to dark tones photograph well. Avoid large patterns, all white or light pastel outfits which can draw attention away from the most important part of your portrait...YOU!

NOTE: Actual backgrounds, background colors, option styles and poses may vary slightly from those illustrated. All of our photos are copyrighted and cannot be reproduced without a written release.

Personalized Wallets Carteras personalizadas

Wallet personalization includes first name and year.

Sugerencia para la ropa:

Es conveniente elegir ropa de colores complementarios y no en contraste con el color de fondo. Evite tops de color verde limón. Los colores sólidos en medio de tonos oscuros dan buenos resultados fotográficos. Evite prendas con dibujos grandes totalmente en blanco o colores pastel claros que puedan distraer de la parte más importante de retrato ... tu!

NOTA: Los fondos, colores de fondo, estilos opcionales y poses definitivos pueden ser diferentes de la ilustración. Todas nuestras fotografías están protegidas por copyright y está prohibida su reproducción sin nuestro consentimiento por escrito.
