

# STOP THE SURGE

Safeguard Your Power Infrastructure

- ✓ Limited-Time Discount
- ✓ +2 Years Extended Warranty

## Your UPS protects your load — make sure it's protected too.

With extreme weather events on the rise across Australia — including seven significant incidents in 2025 alone costing over 300m and 128 thousand insurance claims — the risk of power surges and voltage spikes damaging your UPS systems has never been greater.
