Gourmet to Tantalize the Taste Buds

► A Sprinkle of Solar Sea Salt

Each 5.5 oz. container in the SEAGlass collection makes a splash in any kitchen. Available in three varieties: Premium, which is what farmers Heidi and Curtis call the snow-white sea salt the Atlantic Ocean yields, and two blends: Lemon Verbena & Dill; and Naughty, a blend of Premium and healthful activated charcoal. Each container is handblown with bits of colored glass to reflect the glistening magic of the ocean. Cork bungs from sustainably managed forests are fitted to each individual container. The result is each SEAGlass is truly unique. Earth and sea friendly.
