

LEOREX

BOOSTER GOLD (GOLD INSIDE)

Luxurious real gold, embedded within Leorex Micro-structure, works wonders on your skin. Right after application, Leorex Booster Gold Inside turns gold, Micro-structures self-arrange on the skin and start acting. Each skin area is affected individually - you can see Booster Gold Inside in action as it turns white where the activity has completed. When the application area is white, it is time to wash off the residue.

Leorex Booster Gold Inside's Features:

- True gold
- Instant wrinkle flattening and pore minimization by external physical forces
- Long term improvement of the fine lines and wrinkles
- Removes impurities and free radicals
- smart soft peeling
- Immediate firming
