The Softest, Most Cooling Sheets for Blissful Sleep

The Coolest Material You Can Sleep On

TENCEL™ stands out as an extremely breathable, temperature regulating and absorbent fabric. Lyocell fibres can wick excess moisture away quickly, keeping the body cool during sleep in a wide variety of climates. With our TENCEL™ bed linen, you can be sure to stay cool throughout and have less worries over night sweats disrupting your sleep.

Exquisitely Soft, Gentle & Comforting

Thanks to the natural structure of the lyocell fibre, TENCEL™ is most well known for how it feels - exceptionally luxurious and smooth on the skin. With a silky smooth hand feel, it's more gentle than regular cotton and linen, thus making it beneficial for babies, and those with sensitive skin or allergies. As a naturally derived fibre, TENCEL™ is also hypoallergenic.

Stay Fresh All Day & Night

No need to feel stressed about odour or bacteria ever again. TENCEL™ fibres have perfect moisture management which reduces bacteria proliferation without the need for any chemical additives. Furthermore, our TENCEL™ sheets are Oeko-Tex® certified, which means no harmful chemicals are used during the production process. Rest easy knowing that Weavve’s sheets are made from certified fabric that are kind to your skin and health.

Authentic Fibres of Botanic Origins

TENCEL™ lyocell is made from 100% sustainably sourced eucalyptus wood. The water and more than 99% of the chemicals used in the manufacturing process are recycled in a closed loop process. Not all TENCEL™ sheets are made the same - our sheets are purely made with 100% TENCEL™ Lyocell fibres from Lenzing. Long fibres are also used when weaving the sheets resulting in a lighter, finer and more durable sheets.

**What is a Weighted Blanket?**

A weighted blanket is exactly what it sounds like - it’s a blanket with extra weight in it. Weighted blankets are unique as instead of being filled with cotton or down, it contains materials like glass beads to make them heavier. This weight is evenly distributed across the body for a feeling of being gently hugged. The deep touch pressure offered by the weighted blanket is supposed to make you feel safe, relaxed, and comfortable.

**Create A Deeper, More Restful Sleep**

**Reduce Stress & Anxiety**

**Constructed From Quality Materials**

**For Deeper & Restful Sleep**

**Sleep Like A Baby**

The weight in the blanket stimulates gentle pressure for a feeling of being held or hugged. This pressure increases serotonin which promotes calmer nights of sleep.

**Instant Relaxation**

This provides a sense of calm, making you feel relaxed and comfortable.

**Sleep in Comfort**

Our weighted blankets are designed with a breathable cotton cover for warm tropical climates. They’re not hotter than normal duvets, just heavier for a restful night of sleep.

**Luxurious Material**

100% TENCEL™ Lyocell filling encased in a 100% TENCEL™ Lyocell sateen shell for a silky-soft feel that’s gentle on the skin and suitable for those with allergies.

**Suitable For All Seasons**

Unlike polyester or down, TENCEL™ filling is naturally temperature regulating and moisture wicking, keeping the body cool and dry during sleep all year round. Excessive heat is quickly dissipated for a lasting cooling sensation.

**Sustainable Softness**

Our duvet is gentle on the planet too - biodegradable and sustainably made. TENCEL™ lyocell fibres originate from 100% sustainably sourced eucalyptus wood. Its closed loop production process recycles water and solvents at a recovery rate of more than 99%.

**Certified Free From Harmful Chemicals**

Weavve brings the ultimate duvet inserts that are Oeko-Tex® Standard 100 Certified to you. This ensures that every component of the product has been tested and is free from harmful levels of over 100 individual substances from 17 groups of chemicals. Rest easy and sleep comfortably with our hypoallergenic duvet inserts.

**Silver Ion Antimicrobial Technology**

The world’s first and only aqueous-base-silver-polymer delivery system. Patented polymer containing silver technology delivers silver ions to fabric surfaces and activates them in the presence of undesirable bacteria. This aids to eliminate bacteria, fights mold and fungi that cause odor, discoloration and degradation of the duvet for up to 50 launderings.

WEAVVE HOME FRAGANCES

Encapsulating memories & moments in every scent.
A Bouquet of Serenity

A scent that evokes the warm, soothing smile that persists through life’s ups and downs. Inhale the lush and delicate notes of sweet Jasmine and Muguet, with a hint of Bergamot, Tuberose and a mellow, earthy Sandalwood.

A Bouquet of Serenity is your sanctuary of calm in a world that often moves too fast, a serene oasis for those moments when a gentle pause is desired.

Top Notes: Green, Bergamot, Bois De Rose, Violet leaf
Middle Notes: Jasmine, Muguet, Rose, Tuberose
Base Notes: Sandalwood, Musk

A Medley of Sunsets

Within this fragrance lies the charm of fruits and flowers, akin to savouring tea while patiently waiting for life to ripen. Its top notes bloom with the freshness of Green Tea, Red Apples and Peaches. At its heart is a bouquet of Geranium, Rose, Jasmine, Cassis, Lotus, and Osmanthus, creating a symphony that mirrors the golden hours amidst the blooming fields. The base notes of Musk, Moss, Vanilla, Sandalwood, Amber and Heliotrope linger like a memory of tranquil sunsets.

A Medley of Sunsets unfolds a sensory journey reminiscent of cherished vacations. Your escape to a time of bliss and a simple appreciation for the beauty of nature, time, and life.

Top Notes: Green Tea, Rose, Red Apple, Peach, Mandarin, Bergamot
Middle Notes: Geranium, Rose, Jasmine, Cassis, Lotus, Osmanthus
Base Notes: Musk, Moss, Vanilla, Sandalwood, Amber, Heliotrope

A Burst of Zest

Fill the room with a fresh piquancy - Think, an invigorating and vibrant fusion of Grapefruit, Orange, Mandarin, and Bergamot, with botanical notes and soft sweet musk steadily balancing and softening the tang.

A Burst of Zest is the energetic, confident companion you need to propel you through the day, keeping you focused, centred, balanced and dancing through life’s rhythms.

Top Notes: Grapefruit, Orange, Mandarin, Bergamot
Middle Notes: Rose, Jasmine, Lavandin, Muguet
Base Notes: Tonka, Musk, Vanilla, Sandalwood

A Whisper of Assurance

This scent is a subtle ode to resilience, much like the vibrant spirit that keeps picking itself up in the face of life’s many twists and turns. Its top notes offer a lively dance of Lime, Grapefruit, Pepper, Juniper, and Pine, embodying the victorious highs, while the middle notes embrace the grounding moments much similar to the warmth of woodiness from the Cypress and Cedar Wood. The bottom notes of Vetiver and Armoise mirror the strength we find within ourselves during life’s challenges and contemplative phases.

A Whisper of Assurance carries you through the night, reminding you that even in the darkest hours, resilience is your guiding light.

Top Notes: Lime, Grapefruit, Pepper, Juniper Berry, Pine
Middle Notes: Cypress, Thyme, Armoise, Mandarin
Base Notes: Amber, Vetiver, Patchouli, Cedarwood, Guaiac Wood

A Touch of Grandeur

The soft, clean aroma of White Tea and the soothing essence of Bamboo gracefully connects to the heart note of Jasmine, creating a blend that is both gentle and inspiring. Over time, a subtle hint of Amber infuses the air with a comforting warmth.

A canvas of our heritage, made-to-order

Bearing oriental motifs such as fruits and flowers, Peranakan tiles were a distinctive feature of the shophouses that are amongst the most iconic buildings in modern Singapore. Jade Blossoms presents a contemporary take on these tiles, floral motifs adorning a sea of jade.

The print has been incorporated into our Lyocell sheets. These sheets are engineered with the use of 80s yarn count, which determines the fineness of threads. The higher the yarn count, the finer the thread.

Unlike other bedsheets that are normally made from 20s to 60s yarn count, only a handful of mills in the world are able to produce TENCEL™ fibres at this grade and as such, our sheets are made-to-order.

About The Brand

SCENE SHANG is a contemporary furniture, homeware and lifestyle label based in Singapore with roots firmly planted in a rich Asian heritage. Shaped to the semblance of 1930s Shanghai in all its former Art Deco glory, SCENE SHANG looks to an era replete with blooming exuberance and unapologetic luxuries.

The aesthetic – an inspired blend of classic Chinese elements and modern day sensibilities that sit on the crossroads of East and West – lends itself to iconic pieces designed for the dwellings of today.

To nourish & to comfort, through warm nights or cold

The award-winning Love Is A Warm Brew pattern is inspired by the warmth of home, of living in Singapore, from the myriad of warm brews. The ingredients of these beverages are illustrated in a batik style, creating a pattern that is woven with meaningful natural ingredients that are used to make warm, nourishing brews that make all of us feel at home in Singapore.

The print has been incorporated into our Lyocell sheets. These sheets are engineered with the use of 80s yarn count, which determines the fineness of threads. The higher the yarn count, the finer the thread.

These printed pillowcases pair perfectly with our solid colour bed sheets and duvet covers.
