## LET'S GET BEHIND VIRTUAL SLIPPER WEEK

Slipper Day, Reach for a Dream's largest yearly fundraising campaign has been postponed due to lockdown. This means that many children who are suffering from life-threatening illnesses are seeing their dreams being put on hold.

Dreams can't be locked down though and that's why we've partnered with Wimpy to bring you Slipper Week, which will run from 10 -16 August.

If you want to help us make a difference, make a donation today and support Virtual Slipper Week.

**Let's make dreams come true!**
