# INTRODUCTION

By Amanda Bennett

Easter, also known as Resurrection Day, is my favorite holiday of the year. We are able to set aside this special time to remember God’s ultimate gift to us: eternity! From Palm Sunday to Ascension Day, this Download N Go™ 2.0 introduces your child to the events that changed our world forever and gave us promise and hope. This holiday provides the perfect opportunity to use this special time to teach our children about the promise of Easter—God’s promise through His son, Jesus.

From meeting the disciples to learning about Passover, studying the Last Supper, and learning about what happened at Gethsemane, your child is about to begin a fascinating exploration of the real meaning of Easter. From curiosity to wonder to understanding, your child will begin to grasp the real promise of Easter with this new Download N Go™ 2.0 study.

Choosing this topic for a Download N Go™ 2.0 study was easy for me, since it provides an interesting and priceless adventure in learning about God’s promise through the life and death of Jesus. Like you, I have my share of childhood memories of Easter, and the most vivid are of our Easter morning treks to the local sunrise service beside the bay. We looked forward to this special time, waiting for first light, all wrapped up in blankets and everyone speaking in hushed whispers. Get ready to make some lasting memories of your own with your family this Easter.

With this study, your child will learn about the last week of Jesus’ life, as well as some of the prophecies that were fulfilled through Him. In each quest, your student will explore and investigate, creating and adding more learning components to her *Easter* lapbook—building a wonderful reminder of all that she is learning to enjoy for years to come.

With Download N Go™ 2.0 unit studies, you are about to begin a new kind of learning experience. Each study is made up of a series of Adventure Quests and lapbook components. The name, Download N Go™, comes from the concept that these studies are ready to use as soon as you have downloaded them. No preparation, waiting time, or expensive resources are required. A few inexpensive items are needed for the lapbook: a simple file folder, a glue stick, safety scissors, brass brads, and crayons or markers. That’s it—simple, effective, and what a way to learn!

Now that you are beginning *Easter Promise*, get ready for a wonderful adventure exploring this meaningful holiday. Your child will investigate the events of the Lord's life at the end of His life, following Him through that week all the way to His resurrection and ascension to heaven.

Enjoy this study—may God bless you for your efforts to teach your children about the promise of Easter. Jesus' resurrection opened up eternity for those who follow Him. Make some hot cross buns, pack a blanket, and head for the sunrise service—it will take on a whole new meaning this year!
