# Timber Doors

Our wide range of stylish, durable doors and accessories have been designed to complement a range of supplementary Criterion solutions. Attention to detail combined with stringent insistence on quality to ensure long timber door collection suits a variety of applications throughout commercial and residential spaces. Our timber doors are stocked in a variety of sizes and designed to complement the sliding system range and hinged doors.

Timber doors offer a pre-glazed option and cut outs to suit OptiLite® and Vent Flow, which can both reduce and simplify the installation process. We also offer additional services including machining for hardware, specialised cladding and veneers.

Designed and customised to suit a range of project requirements, Criterion timber doors deliver continuous performance in high traffic commercial spaces and also provide a touch of modern interior styling.
