 EzyJamb

Ezy Jamb

Ezy Jamb steel door frames provide an easy-to-install flush finish door jamb system. The system is ideal for both flush and clean finishing with unobtrusive detailing for commercial and residential projects.

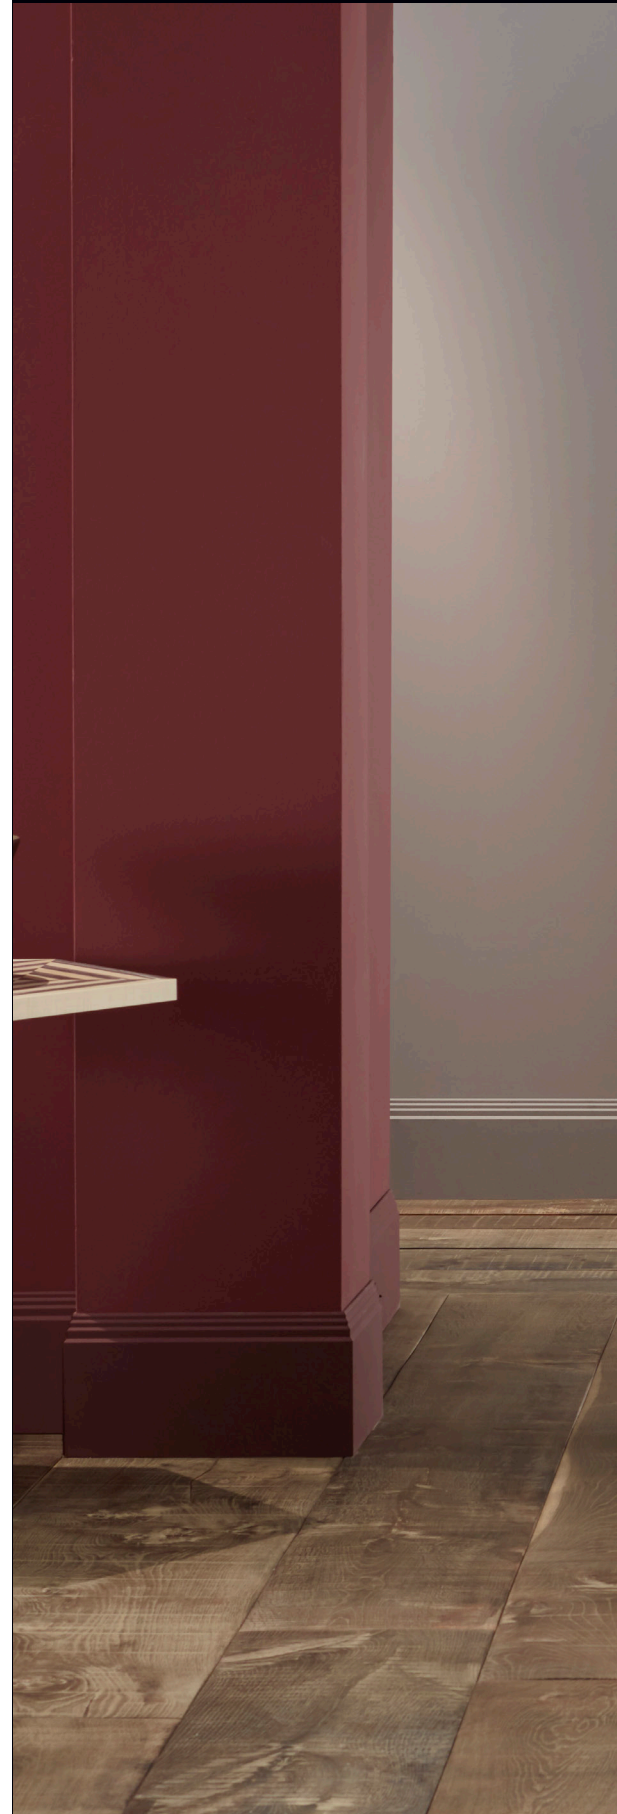

Manufactured from cold rolled steel, Ezy Jamb is a split type jamb with a patented profile to produce strong and secure assembly. Ezy Jamb is equipped with perforation on the sides for more levelled joints.

The range comes in two sections that fit neatly together to provide flexibility in wall thickness. The system is complemented by a range of hardware options suited to different applications. These supplementary products can be found in our hardware and accessories section.

Ezy Jamb is simple to install and requires no additional maintenance. Ezy Jamb is a great interior solution that streamlines fitting and provides a cost-effective option for window reveals and wall ends.

WHY CHOOSE EZY JAMBS?

- + **Made from steel**
- + **Pest, fire and weather resistant**
- + **Moisture and warp resistant**
- + **Easy installation**
- + **Cost effective solution**
- + **Custom sizing available**
