 **Criterion**

Definium

The Definium Suite is a heavy duty and interchangeable internal wall system designed to improve your acoustic performance. Engineered for simple installation, the Definium Suite is easily fastened to walls with a robust three-point fixing method.

Definium offers a proven track record of reliability and consistency across a wide range of projects. The system complies with the Australian codes and standards for access and mobility, and fulfils the requirements of the glazing code for glass up to 12.8mm.

Definium incorporates a strong and durable door frame, suits a variety of glazing options and accommodates a range of glass thicknesses. Superior components and dependable, quality design make the Definium Suite an ideal selection for high traffic commercial environments such as hospitals, schools and office spaces.
