Racing Radios Announces SRO Motorsports America Partnership

Racing Radios | The Official Two-Way Services Provider

FOREST PARK, Ga., February 27, 2019 (Newswire.com) - [Racing Radios](#) announces a new partnership with SRO Motorsports America as the Official Two-Way Services Provider for Blancpain GT World Challenge America. With a long history of service and support for professional racing worldwide, Racing Radios has partnered with SRO Motorsports America to provide on-site radio communication services and support for SRO Motorsports America participants, teams, and suppliers for 2019.

Racing Radios is recognized as the leader in two-way racing communications worldwide. With locations in both Georgia (Forest Park) and North Carolina (Mooresville), Racing Radios caters to all forms of motorsports and is continuing to push the evolution of two-way radio communications.
