

Thank you for purchasing Volume I for Retrologue 2!

To Install These Sounds:

Windows: Find the file you just purchased and downloaded from Robust American Patches. It's called "Volume I for Retrologue 2 by RAP.zip" Unzip the file and place the resulting folder in:
C:\Users\your_username*\Documents\VST3 Presets\Steinberg Media Technologies
Then open Cubase/Nuendo and load an instance of Retrologue 2. You may need to rescan the user content folder location using Mediabay or Retrologue's preset browser.

Mac: Find the file you just purchased and downloaded from Robust American Patches. It's called "Volume I for Retrologue 2 by RAP.zip" Unzip the file and place the resulting folder in:
/Users/your_username*/Library/Audio/Presets
Then open Cubase/Nuendo and load an instance of Retrologue 2. You may need to rescan the user content folder location using Mediabay or Retrologue's preset browser.
