TEMPLATE GUIDE A

Pattern One

Pom Pom With Crochet Loop – Instructions

1. Follow template A and cut out two circles in cardboard that measure 8.5cm in diameter. In the centre of each circle cut out a 2.5cm diameter hole. These will be your Pom Pom guides.
2. Place the circular guides together. Pull the yarn through the centre of the guides and hold in place with one hand.
3. With your other hand begin to wrap the yarn around your guide evenly. Continue to wrap until your guide is covered and the central hole is almost filled. It's important to note that the more you wrap the guide the thicker the pom pom will be.
4. Cut the end of yarn leaving an excess of 5cm.
5. Holding the wrapped yarn in place, cut the wrapped yarn around the edge of the guides.
6. Using your free hand, thread a strand of yarn around the centre between the guides and tie a tight double knot leaving 50cm excess length on each side.
7. Remove the circular guides.
8. Put the excess lengths of yarns together to double the yarn.
9. Create a slip knot as close to the pom pom as you can and insert your crochet hook.
10. Chain 21 stitches.
11. Insert your hook back into the middle of the next stitch from your hook.
12. Wrap the yarn around your crochet hook then scoop the yarn with the notch in your hook back through the middle of your stitch. There should be two loops on your hook.
13. Loop the yarn back around your hook and pull it through both loops at the same time. Now there will only be one loop on your hook. This has created a single crochet stitch (abbreviated to S/C).
14. Continue steps 11 to 13 another nineteen times (This would be abbreviated to S/C 19)
15. You should now have reached the end of your chain row.
16. Bend the other end of your crochet length around to meet your hook, creating a loop.
17. Insert your hook into a stitch at the end of your crochet length and S/C 1 to join both ends together.
18. Cut the end of yarn leaving a 10cm excess and pull through the loop on your hook to secure the stitch.
19. Sew the loose end through the centre of your pom pom a couple of times and then cut away any excess lengths.
20. This is your finished pom pom with crochet loop.
