**FROM MY HEART TO YOURS:** When I was six, a neighbor told me about Jesus. After I accepted Him as Lord and Savior, my life was transformed. How did I learn about God's great love? Through the sharing of STORY! Now it's my passion to write books that point tender hearts of all ages to God. And the teacher in me finds special joy in sharing messages of hope, grace and JESUS! at school visits, church gatherings and other events.
