

Dandi Daley Mackall

Dandi the Writer

Dandi is an award-winning author of over 500 books for all ages!

But for Dandi, the best part of writing is hearing from readers and knowing God is touching the lives of children and adults. When talking to children for her sequel to Art Linkletter's *Kids Say the Darndest Things*, she asked kindergartners, "What does God look like?" Answer (all hands went up): "He's really, really, really old . . . like 23". Her next question: "What does Jesus look like?" Answer: "Just like God, but with real fingers and toes." That's what Dandi likes to do—help readers discover the reality of Jesus Christ with real fingers and toes. As a Bible scholar and storyteller, Dandi has had the privilege of immersing herself in the lives and background of the women present in Jesus' life on earth.
