The Advent Mystery of New Beginnings

Interactive Reading & Author Visit

*Offer children the rich practice of Advent waiting,
enacted in the lives of woodland animals.*

Invite author Gayle Boss to visit (grades 1-5) and watch kids catch the wonder of woodland animals adapting to the season of dark and cold. They'll hear the animals' message for us all:

The dark is not an end.

It's a door.

It's the way a new beginning comes.

What to Expect:

- * 30-minute presentation for grades 1-5
- * Engaging introduction with book-themed puppet
- * Lively reading with book illustrations projected (when possible)
- * Time for Q&A
- * Downloadable Explorers' Guide for a deeper dive
