## Media Maven

*Quite simply EZ Dupe's new Maven duplicator is nothing short of amazing.*

It's lightning fast reproducing mirror-image copies of virtually every type of media card with the \*optional media expander.

It features the absolute latest in duplication technology – SATA, ensuring the most accurate transference of data – ever!

The Maven is of course a top-of-the-line DVD & CD duplicator too.

You'll love all of its built-in user friendly features, like the ability to copy USB directly to disc with the touch of a button.

Create personalized shortcuts for popular projects.

Additionally Maven's can be ordered with Blu-ray drive.

Available in 3, 5, 7 and 11 copy configurations.

And because its an EZ Dupe it is supported with a three year limited warranty.

**Enjoy all of these duplicating possibilities with just one Maven!**
