EZ Dupe introduces the Premium Series DVD Duplicator

January 8, 2019 – EZ Dupe is glad to announce the release of the Premium Series DVD Duplicator at the Consumer Electronics Show (CES) 2019. The Premium Series is the first duplicator in the market to be equipped with duplication grade DVD burners. This new series supplies users with high volumes of duplication tasks while also providing higher quality duplications. Users can fine tune power to improve the burn quality and prevent a “Donut Ring.” Users can also adjust down-speed criterion in order to make high quality duplications of their DVD/CD media. The duplication grade burners have the best disc compatibility, writing quality, and duplication stability. The Premium Series is available from single target to our industry-leading eleven targets in a convenient and user friendly package. The duplicators offer high speed performance, quality, and cutting edge technology.

Features:

- Standalone, no PC required
- Duplication Grade DVD Burners
- Best Disc Compatibility
- Better writing quality and duplication stability
- Auto write strategy to find the suitable power
- Adjust down-speed criterion and fine tune
- Optimal write power fine tuning to prevent from Donut Ring
