EZ Dupe introduces the Single Target HD Mini Duplicator

January 8, 2019 – EZ Dupe is pleased to announce the release of the Single Target HD Mini Duplicator at the Consumer Electronics Show (CES) 2019. This new product is part of the growing Portable Duplicator line that EZ Dupe carries. With its exceptionally lightweight and slim design, the Single Target HD Mini Duplicator is perfect for on-the-go jobs where only one Hard Drive or Solid State Drive is the designated target. Much like EZ Dupe’s other Portable Duplicators, this duplicator is equipped with easy-to-use one-touch operation. The HD Mini is a must-have tool for those with changing job sites or require reproducing or backing up information constantly, such as in the Information Technology industry or IT/MIS departments.

Some Features and specifications:

- Standalone, no PC required
- Instant power on and off, no warm-up or cool-down required
- Unique Source data analysis and copy data area only to achieve the highest efficiency
- Copy Mode:
 - Whole Media
 - System and Files (Intelligent Copy)
- Supported media: SATA 1/2/3 HDD and SSD, or other HDD/SSD with optional adapters.

About EZ Dupe

EZ Dupe has been a pioneer in developing and manufacturing EZ Dupe CD/DVD/USB/Flash Memory/HDD duplication systems and portable duplication technologies since 1995. EZ Dupe provides a three-year limited warranty (one-year warranty for certain products and market) on most of the duplication systems and proudly assembles and tests all products in City of Industry, California.
