THE BEST BEAUTY PRODUCTS IN THE AISLES, HANDPICKED BY A PRO

**Mario Dedivanovic**  
Known for starting the contour craze with his client Kim Kardashian, he proves that if you weren't born with sculpted cheekbones, you can fake them. He teaches his techniques in his worldwide master classes and works with such celebrities as Chrissy Teigen and Kate Bosworth. Follow him on Instagram: @makeupbymario.

**L'Oréal Paris Voluminous Carbon Black Mascara**  
"I've been using this mascara in my kit for 15 years. It's my favorite for making lashes appear thicker without clumping."  
**TO BUY:** \$8; at drugstores.

**Cetaphil Moisturizing Lotion**

"I carry this lotion on set with me—because it is nonirritating, I can use it on everyone."  
**TO BUY:** \$14 for 16 oz.; ulta.com.

**Q-tips Cotton Swabs Precision Tip**

"I like to dip these in eye-makeup remover to clean up little mistakes when using liquid eyeliner."  
**TO BUY:** \$3 for 170; at drugstores.

**Milani Baked Blush**

"I love the soft, natural glow this peach blush gives to any skin tone. I'm also a fan of this brand's bronzers."  
**TO BUY:** \$8; at drugstores.

**Olly Daily Energy**

"These gummies help me get extra nutrients while also keeping my stress down while traveling."  
**TO BUY:** \$14 for 60; target.com.

**Ardell Knot-Free Individual Lashes**

"These are easier to apply than a strip and look more natural. I alternate between two lengths for the best flutter."  
**TO BUY:** \$5 for 56; ulta.com.
